Welcome to Mazarin Wellness & Cosmetic Spa by Dermatology & Cosmetic Lab in Kos

Kos Island is noted for the crystal clarity of the waters that surround the incredible beaches of its 112 km of coastline. Merging tradition, history and nature, Kos blends ancient, medieval and modern architecture with abundant vegetation. Birth place of Hippocrates around 460 BC, one of the most outstanding figures in the history of medicine. What interested him was the human nature, the body and its function, but also the impact of climate and environment on health. For the purposes of medicine he used plants and herbs, because he believed deeply in the power of nature and the sea. The Mazarin Spa is inspired by The Grand Mazarin, a historic light pink colored, brilliant-cut diamond. Thus, it is a gem Spa with a holistic philosophy that focuses not only on aesthetic improvement, but in achieving balance of the body, clarity of mind and spirit with respect to the nature and the sea. There-fore all the products and the treatments are well selected and designed to comply with our philosophy.

Phytomer is the organic, eco-friendly cosmetic brand used for our treatments and rituals. With nearly 50 years of expertise in professional salons and spas worldwide, the use of wild, sustainable, active marine ingredients delivers the sea's benefits to your skin without solvents or chemicals. Each of the treatments provides a sensory journey around textures, scents and massage techniques performed by our highly trained therapists.

In the Cosmetic Lab the treatments are designed to reverse the effect of time on your skin and improve its elasticity, glow and youth. All you have to do is to choose from a wide range of anti-aging treatments selected to be safely performed in the Spa and while you are on your vacation.

The Mazarin Spa features five luxurious, state-of-the-art treatment rooms, including a mood altering chromo therapy room, a beautiful relaxation area, an authentic hamam, Rhassoul treatments and Vichy showers, as well as soothing saunas. A choice of a heated indoor or an outdoor pool complex. A fully equipped fitness area and personalized yoga and fitness classes ensure that guests keep healthy and fit whilst on holiday.
